PROFESSIONAL SUMMARY

Graduating Music Industry professional (GPA 3.92) specializing in sync licensing, copyright research, and catalogue management. Building Dust-to-Digital's full music catalogue on DISCO as a senior capstone project - conducting copyright research, public domain determination, rights verification, and metadata management. Eager to apply publishing and rights administration skills in a professional setting.

PROFESSIONAL EXPERIENCE

Industry Mentorship | Dust-to-Digital | Atlanta, GA | 2026 – Present

- Building the label's full music catalogue on DISCO for sync licensing, including copyright research, public domain determination, rights verification, and metadata management (Senior Capstone)
- Audited the label's digital presence and developed a strategy framework to improve content performance and audience engagement across website, Substack, and social media
- Managed content production and post-production editing for an interview series at the 2025 Big Ears Festival; contributed to multi-platform distribution strategy

Sync Division | MTM Standard - GSU Record Label | Atlanta, GA | 2026 – Present

- Contributing to sync licensing strategy and music placement initiatives for GSU's in-house independent record label

Media Intern | Music Box | San Diego, CA | Summer 2025

- Managed 30–50 weekly concert listings across SeatGeek and partner platforms; developed promotional social media content and supported street-team marketing campaigns

Private Instructor & Soccer Coach | Independent | Atlanta, GA | 2024 – Present

- Manages client scheduling, session planning, and structured performance feedback for private soccer and piano instruction

EDUCATION

Georgia State University, College of the Arts | Atlanta, GA | 2022 - 2026
